Reading.
- Chapter 5, pages 171-195 in the textbook (Sections 5.1 and 5.2).

Discussion Problems
- Section 5.1, page 175 -1.
- Section 5.2, page 194-1.

Assignments to Turn In
For the following programs, please turn in the following:
- A print out of the program.
- A Mathematica session with a sufficient number of tests that illustrates the performance of the procedure. Be sure to include some involved expressions that test the recursive nature of an algorithm.

- Problem Set 9 - See Calendar for due date. Section 5.2.
  - Page 194, Exercise 2.
  - Page 194, Exercise 3.
  - Page 195, Exercise 7.

- Problem Set 10 - See Calendar for due date. Section 5.2.
  - Page 195, Exercise 8.
  - Page 196, Exercise 13-a,b.

Mid-quarter Exam
Tuesday, Monday May 1, 50 minute, open book, notes, and computer.
